#### **5. Usage**

5.1 Improper Use. The CUSTOMER shall use it’s reasonable endeavours to ensure that nothing is transmitted by or on behalf of the CUSTOMER or using the CUSTOMER’s equipment through the SERVICE or downloaded in violation of any UK or International law, regulation or treaty or MISTRAL’s ACCEPTABLE USE POLICY or in breach of the intellectual

property or rights of any person. The CUSTOMER shall fully and effectually indemnify MISTRAL from and against all loss, liability, damages, costs and expenses which MISTRAL may incur in relation to any breach by the CUSTOMER of its obligations under this clause. The CUSTOMER acknowledges that, by the nature of the SERVICE being provided, information and material downloaded or used by the CUSTOMER will be kept, whether permanently or temporarily, on MISTRAL’s equipment. The CUSTOMER shall at all times ensure that such information and material complies with the laws of all applicable jurisdictions and shall keep MISTRAL fully and effectually indemnified from and against all costs, claims, liabilities and demands relating to or arising from:

- (a) any breach by the customer of this clause 5.1; or
- (b) any criminal or civil legal action brought against MISTRAL as a result of MISTRAL’s storage of such information or material.

A breach of this clause and/or MISTRAL’s ACCEPTABLE USE POLICY will also be grounds for MISTRAL to terminate this AGREEMENT without notice and with immediate effect, at MISTRAL’s discretion.

- 5.2. Offending Material. Without prejudice, to any other right, MISTRAL shall be entitled to disable the SERVICE or any other part of it immediately and without notice or to take such action as it may in its discretion think appropriate to ensure that any material which MISTRAL in its reasonable opinion considers to offend the principles set out in Clause 5.1 is not capable of being transmitted or down-loaded. MISTRAL shall not however be obligated to take, or consider whether it should take any such action. MISTRAL shall inform the CUSTOMER of any such action and the reasons for the same.
- 5.3 Customer-Only Traffic. The right to use the SERVICE is limited to the CUSTOMER, and those members of its staff and others engaged by the CUSTOMER to perform work for the CUSTOMER.
- 5.4 International Bandwidth. The CUSTOMER acknowledges that MISTRAL has no direct control over the availability of bandwidth over the entirety of the Internet and that while it will use such endeavours as MISTRAL, in its absolute discretion deems appropriate to facilitate the SERVICE at all times. MISTRAL shall not be responsible for delays caused by overuse or lack of such bandwidth.
- 5.5 ACCEPTABLE USE POLICY. MISTRAL reserves the right to make reasonable amendments to the ACCEPTABLE USE POLICY from time to time, effective upon notice to the CUSTOMER of such changes.

#### **6. CUSTOMER Equipment and Network**

- 6.1 The CUSTOMER agrees that from the START DATE, it will have available all necessary CUSTOMER equipment for which it is responsible, to allow effective installation and continuation of the SERVICE.
- 6.2 It is the sole responsibility of the CUSTOMER and not MISTRAL to provide security with respect to and of the CUSTOMER’s facilities or the facilities of others. The CUSTOMER shall be solely responsible for maintaining user access security and network access.

#### **7. Domain Name and Network Number**

- 7.1 MISTRAL shall apply on behalf of the CUSTOMER for one domain name only, if requested, for all services with the exception of Mistral Dial and Mistral Virtual Server. MISTRAL shall cover all the charges incurred from the managing organisation in charge of the domain name for the duration of the SERVICE. If the CUSTOMER so requests, MISTRAL shall apply for additional domain names at an additional cost per domain name. All costs incurred in applying for such additional domain names shall be for the account of the CUSTOMER.
- 7.2 MISTRAL will route IP addresses that were previously assigned to the CUSTOMER only if those addresses were assigned to the CUSTOMER directly and not through another Internet Service Provider. MISTRAL will not be held responsible if other Internet Service Providers refuse to accept these addresses. MISTRAL shall assign new or additional TCP/IP addresses as requested by the CUSTOMER upon being provided with satisfactory documentation justifying the need for those addresses. The documentation must be in accordance with the policies set forth by RIPE. In certain circumstances, it may be necessary for TCP/IP addresses to be approved by RIPE, and in such cases those addresses are only assigned for the duration of the SERVICE and become invalid at such time as MISTRAL no longer provides the SERVICE to the CUSTOMER. MISTRAL shall not be responsible for any decision made by RIPE. When MISTRAL assigns addresses

to the CUSTOMER, a temporary extension (usually thirty (30) days after the end of the SERVICE) may be granted at MISTRAL's sole discretion. After termination or after such period (if any) those TCP/IP addresses may be reassigned to other customers by MISTRAL. If the CUSTOMER wishes to apply for addresses that will subsist beyond the duration of the SERVICE, it must do so directly to RIPE. Any decision by RIPE or by another Internet Service Provider relating to TCP/IP addresses is the responsibility of RIPE or of that other Internet Service Provider and MISTRAL accepts no responsibility for such decision.

- 7.3 MISTRAL has no control over the availability of domain names and accepts no responsibility for the availability of any domain name.
- 7.4 In respect of any actions taken by MISTRAL pursuant to this clause 7, MISTRAL may levy additional charges on the CUSTOMER as agreed in advance.

The CUSTOMER's equipment must comply with the relevant portions of such recommendations and specifications.
